

## Washington Chapter's 38th Annual Awards Program: Chapter Closes Out Year by Recognizing Outstanding Achievements by its Members .....

By Edward Baxter, Assistant Editor

The annual awards luncheon of the Washington, D.C. Chapter of the AGA was held on May 1, 1997. Several individuals were recognized for outstanding contributions to financial management, exemplary service to the community, and outstanding service to AGA members. Chapter President Gary W. Amlin made opening remarks at the ceremony and recognized past Chapter presidents, many of whom were in attendance at the luncheon.

Mr. Joe Donlon then presided over the award presentations. "These are men and women whose vision, leadership, and service have contributed greatly toward implementing financial management legislation, federal financial management standards and requirements, and improving financial management systems," said Mr. Donlon. Overall, there were many qualified nominees for these awards and the selection process for the awards committee, consisting of Warren Cottingham, Bill Anderson, Eva Williams, Evelyn Brown, and Lydia Moschkin, was extremely difficult. Awards were given in the following categories: *Distinguished Leadership, Achievement of the Year, Education and Training, Distinguished Service, the Ronald J. Lynch Scholarship Award, the*

Gary Amlin presenting the Distinguished Leadership Award to Alvin Tucker.

*President's Award for Distinguished Service, and the Community Service Awards.*

Receiving the *Distinguished Leadership Award* was Mr. Alvin Tucker, former Deputy Chief Financial Officer of the Department of Defense. The award is given to the individual who has demonstrated superior and innovative leadership in federal financial management. The next award was presented to Mr. John Webster who received the *Achievement of the Year Award*. Mr. Webster was

**President's Message .....**

**Gary Amlin, President**

The May luncheon was our annual awards program. It was indeed a great opportunity for me to be able to preside over the program and help recognize so many deserving individuals. You will find within this newsletter additional information on our award winners and something about their contributions to the AGA and the Washington Chapter.

This will be my last article as your Chapter President before the helm is turned over to our incoming President, Mr. William Anderson. As I look back on the past year I recall identifying four goals I wanted to use as guidelines for the 1996-1997 program year. These goals were to:

1. Provide our members and guests with high-quality speakers at our monthly luncheons.
2. Provide educational opportunities needed to sustain professional competencies.
3. Serve our communities by being a participant in selected programs and providing services; and
4. Provide representation to the National Office to ensure our members concerns and needs are recognized.

I believe the Chapter achieved these goals over the past year primarily because of the outstanding support provided by the National representatives, Chapter Officers, and Chapter Directors. I never realized how much time and energy must be expended by these individuals to make

everything work correctly and still give the appearance of a smooth operation. I want to thank all our members for their tremendous support and participation. I leave this position with a feeling of accomplishment, but also the realization that it takes a group of highly motivated people working for the same objectives to make it all come together.

My sincere appreciation for the opportunity you gave me to serve our membership. Please extend that support to the next administration.

*Gary Amlin, CGFM*
