**MENTORING**  
program

The program is open to AGA members only. We all have a responsibility to leave this world better than we found it and to have a positive impact on the next generation of government leaders. Mentoring is important, not only because of the knowledge and skills young professionals can learn from mentors, but also because mentoring provides professional socialization and personal support.

Hello Members and Friends,  
Hope everyone is enjoying their winter! Spring is right around the corner. Speaking of Spring, our first in-person PDT in three years will be happening on Friday, April 28th, at Mercer County Community College. I think we have a great program lined up as sessions will include topics on hiring practices, workers' compensation law, re-imagining state and local audit organizations, tax scams and more. You can register [here](#).

There is a virtual 2 hour Cybersecurity webinar on March 22, 2023. This webinar will be FREE for members and \$10 for non-members. Space is limited and it will be first come, first serve. You can register [here](#).

We are also accepting nominations for our 2022-2023 Trenton Chapter Awards. We will be accepting nominations for various awards and scholarships through March 31st. More information is included within the newsletter.

On a sad note, I would like to send my condolences to the family and friends of Christopher Schwartz, who recently passed away. Chris was a long-time member of the AGA Trenton Chapter and was a valued member of our board for many years. Chris was last year's recipient of the James J. Dolan Award which is presented to an individual who has enthusiastically supported and made contributions to enhance the Chapter's activities and goals over many years. He was a great person who always had a smile on face and was willing to help with anything that was asked. He will be missed!

Take care,  
Robert Rizzo

Trenton Chapter President
