For those that didn't make it to the fall seminar, donations for the Underprivileged School Children's fund are still being accepted. We would like to see the entire match, from both our chapter and from National AGA utilized. For every \$10 donated, they will receive \$40 due to the match! Donations are due a week from today's newsletter release. You can send a donation (made out to the United Way) to treasurer Bob Wells at Springfield Public Schools. Please contact him at: rwells496@spsmail.org.

CEC Minutes October Meeting Minutes

There was a short meeting of the CEC following the Oct. 13th Fall Seminar. This special meeting was called to discuss a potential speaker from "Truth in Accounting" and the cost associated with bringing in this speaker for the Spring Seminar. Since there was a verbal commitment of \$250-500 from Drury University toward this, and a potential donation by another outside organization, it was a unanimous vote of the 6 members of the CEC to contract/schedule the speaker to come for the Spring Seminar. Martha agreed to contact Cassie Meschke from KPMG about their willingness to make a donation.

CEC members in attendance: Teresa Allen, Deb Gillenwaters, Bob Wells, Deb Fraley, Linda Charles and Martha Mundt.

Welcome Nancy Weems as Chapter Community Service Director

Hello fellow AGA members! I am Nancy Weems; I have just been appointed to Director of Community Services for our chapter. I want to tell you a little about myself. I am a stay put kind of gal. I was born and went through school here in Springfield (Pershing, Greenwood, and MSU). We lived in Ozark, in my Grandparent's farmhouse, for a few years when we were poor newlyweds. I worked in a bank when I was in college and only wrecked one bank car. After college I went into the moving and storage business and then into real estate. There are some stories that I almost ran a forklift off the dock, but I don't remember that. I count myself as fortunate to have been with the city for 20 years. All 20 years have been in the Workforce Development Department.

Nancy Weems, Community Service Director

We are funded by the Workforce Investment Act and provide job training, labor matching, and job placement. We serve seven counties including the cities of Springfield, Branson, and Bolivar. We maintain two one-stop offices, one

here in Springfield and one in Branson. We soon will be adding a mobile career center to better serve the surrounding communities. We share our one-stop centers with seven other organizations, including our major partner the State of Missouri. We each provide something a little different to our customers but strive to provide seamless services to them. A few years ago our funding regulations changed and my section became a part of the Department of Finance. So now I work with Sally Payne, Supervisor, Tammy Beeman, and Vickie Harris as a part of the Department of Finance assigned to Workforce Development

My primary duties include team leader, general ledger, billing partners and lead Financial Monitor to our sub-contractors such as Alternative Opportunities, Inc., Cox Health, and Webster County. I am a team member in contract development and grant budget applications. Most recently we have been heavily involved in a summer youth employment program funded through the American Recovery and Reinvestment Act. This was challenging to determine the proper reporting formats and information required.

I am a member of the National Workforce Development Professionals through which I have earned a Certified Workforce Development Professional designation.

I look forward to working with your AGA Executive Committee and hope current and past leaders will be there to help me learn what to do to best serve you and our community. Thank you for this opportunity.

Nancy

Look for announcements in future newsletters from the scholarship committee and for the community service event in the spring, Relay for Life. If you would like to volunteer for either of these projects, please contact Nancy at: nweems@jcomis.org or at 841-3346.

Thank you Nancy for giving your time to enhance the Chapter's Community Service Program!

Take the CGFM Examinations After the NLC

Don't miss the opportunity to take the CGFM Examinations and earn your CGFM after the annual National Leadership Conference (NLC). AGA is offering a two-day Intensive Review Course on Monday, Feb. 22, and Tuesday, Feb. 23, and an opportunity to take CGFM Examinations on Feb. 24-25. The cost of the course is only \$249 for qualified participants, and it offers 18 CPE hours. **Special Bonus:** the CGFM Examinations are offered at no cost to course attendees.

This course is designed as a supplement to previous preparation for the CGFM Examinations, so this is a perfect opportunity for those individuals who have already attended GFM training courses or have been preparing by using the CGFM Study Guides. Enrollment is limited and participants must first apply and be accepted into the CGFM Program, so don't delay.

More information and a registration form for this event are available on AGA's website:
