PY 2018-2019

May 2019

Message From the President

We really just have three more events, before we hit summer break and our planning season. April was an excellent month, filled with activity. On April 10th, we held an education event with the FBI to discuss White Collar Crimes and Following the Money for two (2) CPE. Then later in the month, on April 26th, we held our 26th Annual Professional Development Training. This event was worth eight (8) CPEs, and covered such staples as GASB and Yellow Book Updates, as well as discussions on Economic Development with city leaders and the Current Status of Municipal Bonds. We also heard from our current National AGA President, John Lynskey, CPA, CGFM, on the topic of Your Professional Opportunities and Journey.

In May, we again have two education events. The first is on May 15th and is on the topic of Fighting Fraud with Analytics. This is an audio conference that will be held at ASU Skysong, and it is worth two (2) CPE. The second event of the month will be held on May 29th on the topic of Robotic Process Automation. It will also be held at ASU Skysong and is worth two (2) CPE. To register for any of our events, you can head over to the events section of our website: <https://www.agacgfm.org/Chapters/Phoenix/Training-Events/Event-Calendar.aspx>.

Here are a few other announcements to share. We are pleased to announce that during April we added two new members in April, Cindy from the City of Scottsdale and Michael from ASU. Cindy also joined the Board as the Community Service Chair. Welcome to both of you! Also, just a reminder that we have a CGFM study group that meets on Wednesdays at the Arizona Department of Administration building and our current focus is on Exam 2 - Governmental Accounting, Financial Reporting and Budgeting. If you are interested in participating in this study group, please e-mail us at contact@agaphoenix.gov.

Also, if you have any questions or feedback for us, please e-mail us at contact@agaphoenix.org. Thank you for your continued support of the Phoenix Chapter, and we hope to see you soon!

Tips for Preparing for CGFM Exams:

Begin by **reviewing the CGFM examinations content outlines**, which list the main and subtopics covered in each examination. This should be the focal point of your preparation. It is the core document used as the basis for each examination and a guideline for writing examination questions.

Once you are ready to begin studying for the exam, there are a variety of ways to approach it. You can utilize all, or part of these resources. **The AGA offers instructor led courses**. You can attend an instructor led course in the Washington, D.C. area, or participate in an intensive review course at the annual AGA PDT.

Even if you take the instructor led courses, you will want to perform some self-study following this, in order to prepare yourself for the exams. **CGFM study guides** are available for purchase through AGA National, in hard copy, or as a soft copy. Spend time reviewing these materials and answering the questions from each section of the study guides. Also, the Phoenix Chapter, has CGFM study guides available for check out.

AGA also now offers three online **CGFM practice examinations**, which will help you prepare to take the real exam. These practice examinations, are a must.

Study groups can also be helpful. If you know others that are preparing to take the same exam, you can meet regularly to test each others knowledge, and support each other in the journey. Consider joining the AGA Phoenix Chapter to study for Section 2, on Wednesday's at the Arizona Department of Administration building. To find out more, e-mail contact@agaphoenix.org.

Consider these tips, when starting your journey to obtaining your CGFM certification. Good luck and let the Phoenix Chapter of AGA know if we can answer any questions for you, or provide you with any of the Chapter resources.
