PRESIDENT'S MESSAGE

Greetings fellow Central Ohio AGA chapter members! We have officially put another successful Program Year in the books. I had the recent pleasure of attending the National Professional Development Training (PDT) event in New Orleans. At the conference, I had the privilege of accepting the Platinum Chapter Award on behalf of our chapter. I want to thank all our members for making our organization the perennial winner of this prestigious award. Without the active participation of our members in training, community service, and social events, we would not be where we are today.

I would also like to take the time to thank our Executive and Education committees for all the efforts they put forth to help provide our members with an abundance of resources and cost-effective trainings. Without their efforts, we would not be able to provide our members with such a great experience year in and year out.

In addition, I would like to formally welcome our incoming President, Samantha Alberts, from the Ohio Auditor of State. Samantha was a 2019 Young Professional Scholarship Award Winner at the National PDT and I had the distinct pleasure of attending the conference with her. I know Samantha has a solid vision for the Chapter moving forward and I look forward to her endeavors in keeping our organization amongst the best in the AGA.

Lastly, please continue to check our website and your emails for an upcoming announcement regarding registration for our annual 2-day PDT. As usual, we will have a healthy array of nationally recognized leaders from GASB, GAO, AICPA, and much more! If you have not attended the PDT in the past, I cannot recommend it enough. As always, members receive a reduced registration fee!

Want to keep up with what is going on with the Central Ohio AGA? Keep an eye out for emails, visit us on Facebook, or visit our website (<https://www.agacgfm.org/Chapters/Central-Ohio-Chapter/Home.aspx>).

Cheers!

Isaac Ulery
