AGA created the Certified Government Financial Manager® (CGFM) program in 1994 to fill a need in the government financial management community. Through preparation and exams encompassing governmental accounting, auditing, internal controls, budgeting, and financial reporting at all levels of government, CGFMs become well versed in the knowledge and skills needed for the rigors and complexities of their duties.

Furthermore, coverage of federal, state and local government financial management allows CGFMs to expand their career opportunities throughout the United States.
