

Message from the President

June marks the end of our Program Year. It has been an honor to serve as your Chapter President over the course of this Program Year. Just a reminder that this is the last month that we will hold an event, until after the summer break, in September. I know Keith Orr, our Chapter Education Director, is planning an even more exciting Education & Meeting Plan for the 2023-2024 Program Year. Your input and suggestions

would be greatly appreciated.

We are always happy to hear from our Chapter members! We regularly Check our event feedback, and we are constantly working to improve. If you are not a member of the AGA or have let your renewal lapse, and are interested in joining, just go to the AGA website, and click join or renew.

There are many membership benefits, such as free study materials for the CGFM exams as well as discounted CPE events. We are also always looking for interested individuals to consider joining our Chapter's Board. I can personally attest to it being an excellent professional opportunity!

The Chapter Board is also always available if you have any questions or concerns. We have listened to the feedback we have gotten on our most recent survey. We will offer both online and in-person events, when possible, to meet all preferences. I am looking forward to the great learning opportunities that the remainder of this program year brings!

Thank you for your support of the Phoenix Chapter this year, and hope to see all of you again real soon!!

Sincerely,

Charles W. Hester, President

Announcements - Job Postings

Finance Director -Town of Payson

Payson's next finance director is a person of character with the highest ethical standards. The successful candidate is simultaneously humble enough to embrace the role of a working manager and strong and confident enough to be a visionary leader, serving as the town's treasurer and chief fiscal officer. The ideal candidate has expert-level presentation and communications skills, and is able to communicate complex budget and finance concepts in a manner that is easily understood by anyone, regardless of the listener's experience level or sophistication. The preferred candidate is politically astute but apolitical, and also thick-skinned, with the ability to deflect criticism and maintain a calm, professional demeanor under pressure from every quarter, including from vocal citizens and others.
