Brandie Fisher - President

Where Did Summer Go?!?

Good Morning Members!

It seems like yesterday I was emailing you all to wish you a happy summer break, and today I am emailing to inform you of all the awesome things we have planned for the 2016-17 AGA program year! Hopefully you all enjoyed your summer and are ready to get back into the swing of AGA! If I can do anything to make your AGA experience a better one, please let me know - I am looking forward to working with you all!

2016-17 Program Schedule

We have tentatively planned out the full year of meeting dates and community service projects so that you can mark your calendars now - and plan to participate! You can find that schedule attached to this email. Either the CFO or President of our National AGA will be joining us at our fall seminar and presenting on data transparency - how exciting is that! We also will be creating an Ozarks AGA Facebook so that we can keep you updated on the go - be looking for our friend request!

Community Service Plan

"Service doesn't have to be big & grandiose to be meaningful & make a difference." - Cheryl A. Esplin

This year we are focusing our community service efforts on the Ronald McDonald House Charities of the Ozarks, and we couldn't be more excited about it - we have big plans to make

this an exciting year! We plan to fundraise throughout the year to purchase things from the house "wish-list" and serve breakfast twice during the year. Our first breakfast will be Saturday, September 17th - we would LOVE for our members to join together and make this great experience for our Chapter and the families at Ronald McDonald House. Let Mrs. Linda Charles know if you are interested in participating.

Membership Appreciation Networking Event

Thank YOU for making our chapter great! Join us on August 17th from 5:30-7:15 (come and go as you please) for free bowling and networking! Ozarks AGA will be covering the cost of bowling, members and potential members will need to purchase their own food and drinks. Don't bowl? No worries! The VIB area is a private area that has plenty of seating where you can sit back and enjoy good company, jumbo TV screens and a private bar - a server will even deliver lane-side!
