Message from the President

Holiday Greetings!!! Hopefully your November Thanksgiving holiday is effectively morphing into December festivities and you are thoroughly enjoying the season. It is especially at this time of year that we devote much of our personal resources (time, money, effort, etc.) to our friends and families and to those activities that are meaningful to us. In no other month do we talk or think about "giving" as much as during this time. It is curious to me that from a cultural perspective even though we all give in many ways throughout the year, our individual giving efforts don't seem to garner the same attention as when we give during the holiday season.

Why is that? Perhaps it is because when we give during the holidays we are doing so at a societal level. It is collective giving on a grand scale. Do we not, in fact, participate in more group level giving activities during the holidays than any other time of year (i.e., Toys for Tots collections, holiday gatherings, caroling at nursing homes, etc.)? Consider, too, the many giving opportunities that emerge during the holiday season that are not present at any other time: the charity bell ringers, the Black Friday shopping sales, the surge in mail order catalogues that fill our snail mail and e-mail boxes. With so many demands, it is easy to lose perspective. It is easy for the joy of giving to become the chore of giving. Therefore, to celebrate the spirit of giving and to help keep the focus on its positive aspects, I GIVE YOU this month a collection of short quotes from well-known people: "I have found that among its other benefits, giving liberates the soul of the giver." —Maya Angelou

"Give to the world the best you have and the best will come back to you." -Madeline Bridges

"Life is a gift, and it offers us the privilege, opportunity, and responsibility to give something back by becoming more." –Anthony Robbins

"Real generosity toward the future lies in giving all to the present." -Albert Camus

"Giving pays the highest interest rate, and has the longest term, of any investment available." – Jeffrey K. Wilson

"Giving is the lifeblood of happy living." -Todd Parrish

"It's not how much we give but how much love we put into giving." Mother Teresa

"We make a living by what we get. We make a life by what we give." -Winston S. Churchill

"Wealth isn't always measured in dollar signs. We each have time, talent and creativity all of which can be powerful forces for positive change. Share your blessings in whatever form they come and to whatever level you have been blessed." —John Hunstman

May your holiday giving bring you joy and may you have a peaceful holiday season!

Community Service - Pam Cox

Nov/Dec community service project is Toys for Tots; the last day to donate is at the Dec 12 chapter social.

The property tax community service project on Jan 24th and 31st was discussed. Debra indicated that an article describing the project will appear in the Dec newsletter.

Pam proposed raising funds for an animal rescue group as a project for the chapter.

CEC Minutes

Membership – Jody Vernon

Jody stated that all Membership Recruitment monies have been earmarked including: \$20 for new member gift cards, \$10 for recruiting gift cards, \$60 for non-members attending the 11/20 meeting, \$20 for members bringing guests to the 11/20 meeting, and \$60 for complimentary meeting passes to non-members redeemable through May.

Debra volunteered to check people in and collect money at the December lunch meeting as Jody is unable to attend.

A free membership appreciation event was discussed for next year. Also discussed was that the membership may not be aware that the December event this year is also a member appreciation event. The \$10 charge for attending is only part of the actual cost; the remainder of the cost is being subsidized by the chapter.

Jody handed out a record retention guide. The CEC will use the guide to identify what documents the chapter should be retaining and then come up with a plan at the next meeting to manage those historical documents. Greg proposed the use of a "dropbox" to store documents. He will gather more information and report back at the next CEC meeting.

Old Business – Debra Burling

The chapter plans to develop a Survey Monkey after the holidays to determine membership satisfaction.

Debra will follow up with Tina regarding updating chapter bylaws to reflect changes at National bylaws level.

New Business - Debra Burling

Debra reminded the CEC that the 2nd quarter Chapter Recognition points due date is coming up at end of Dec or early Jan.

Next CEC meeting: January 29th Noon

Meeting adjourned at 12:35 pm

Unique Community Service Opportunity in January

Our Ozarks AGA chapter has a terrific community service opportunity in January and it would be awesome if we had a nice chapter turn out for this event. We will partner with the Southwest Missouri Office on Aging to assist elderly and low income families prepare their MO Property Tax Credit form for calendar year 2014. Here is how it will work:

- The project will take place over two Saturdays in January (the 24th and the 31st) at two locations:
 South Side Senior Center (2215 S. Fremont) and Northview Senior Center (Doling Park).
- The duration of each day's session will be 5 hours (work either one or both days).
- The task is to help taxpayers complete the simple one page MO-PTC (Property Tax Credit) form by adding income sources (which the taxpayers will provide) and then looking up the income on a table to determine the eligible property tax credit amount.
- Even though we will fill out the MO-PTC form, only the tax payer will sign the form (volunteers do not sign).
- We will need to bring calculators to calculate total income (simple addition from the sources provided by the taxpayer).
- We will make a copy of the completed MO-PTC form and then give the original and the copy to the taxpayer.
- We will receive training 15 minutes prior to the start of the sessions at the locations.

The task is so easy that each volunteer will be able to process several MO-PTC forms in an hour. The Office on Aging coordinators say there are <u>several thousand</u> people in our community that need this assistance. Other volunteers besides our AGA chapter will be assisting on these two Saturdays as well.

Won't you please consider donating a few hours of your time and your mathematical expertise to help with this very worthy cause? This is a perfect opportunity for our AGA chapter to perform community service using our professional skills. The Southwest Missouri Office on Aging will need a final volunteer count by the first or 2nd week in January (and they will be extremely grateful for any assistance from us). If you want to be a part of this project or if you have questions regarding this opportunity, please e-mail AGA Ozarks Chapter President Debra Burling at: dburling@spsmail.org
