PRESIDENT'S MESSAGE

Hello Members and Friends,

Welcome to the 2022-2023 program year! It is my honor serve as your Chapter President once again. Twice in four years...that has to be some sort of record, right? ☺ First, I would like to thank our Immediate Past President, Meghan Ellis for her tremendous job service as our President last year. I have big shoes to fill!

We are in the process of working on our schedule for the upcoming program year. We have been asked about if we are planning on having more in-person events soon and the answer is absolutely! Hopefully, we will be starting that with a happy hour in September or October. We will be keeping everyone updated on our events, so expect to hear from us very soon.

We are starting our preparations for our Chapter's Fall Professional Development Training (PDT). If there is any topic that you would be interested in hearing, please let us know. We always look forward to hearing what interests our members.

Recently, National had their PDT which was attended by board members Meghan Ellis, Nikki Farrell, and myself, along with Chapter member Douglass MacArthur, who received the 2022 Young Professional Training Scholarship. Congrats Doug!

I am looking forward to a great program year and hearing from our members throughout the year. Please don't hesitate to reach out about anything! Without you, our Chapter wouldn't be where we are!

Until next time,
Robert Rizzo
Trenton Chapter President

Mentoring is important, not only because of the knowledge and skills young professionals can learn from mentors, but also because mentoring provides professional socialization and personal support.
