

THE OZARKS LEDGER

OCTOBER 2024

PRESIDENT'S MESSAGE

MONICA ROBINSON

Happy Fall!

I hope everyone is enjoying the cooler temperatures, fall festivities and that you are planning to attend the Fall Seminar on October 24th. Your Education Chairs have been hard at work with a great line-up of speakers and topics.

As part of our community service, we are partnering with Convoy of Hope to gather donations at the Fall Seminar for disaster relief in communities affected by Hurricane Helene. Catastrophic damage caused by Hurricane Helene is continuing to devastate communities throughout the southeast. In addition to operations in the Big Bend region of Florida, Convoy is conducting responses in the Tampa Bay area, Georgia, and North Carolina. Our donations will work to help displaced families with basic food and water needs while communities rebuild.

IN THE NEWS

The AICPA and NASBA are proposing a competency-based experience pathway for CPA licensure.

This additional pathway would require candidates to be evaluated on seven professional competencies and at least one of three technical competencies.

The competencies would be verified in the workplace by licensed CPAs.

Public input on the proposed pathway can be submitted until December 6.
