PRESIDENT'S MESSAGE

Dear AGA Trenton Chapter Members,

As we embark on a new program year, I want to express my excitement for the opportunities that lie ahead. Last year was a remarkable success, culminating in our chapter earning the 2024 Platinum-Level Chapter Recognition Award at AGA's PDT24. This achievement is a testament to our collective dedication, and I couldn't be prouder of what we've accomplished together. Now, we are poised to build on that momentum, continuing to fulfill our mission to foster professional growth, accountability, and innovation in government.

Our chapter is more than just a community—it's a vital network of professionals working together to elevate the effectiveness of government financial management. This year, we will expand our horizons by exploring new ideas through a robust series of webinars and in-person trainings. These offerings will include topics such as embracing emerging technologies like AI, honing leadership skills, and diving into innovative practices that will equip you with tools to excel in your workplace.

In addition to professional development, our chapter offers an invaluable opportunity to expand your network, connect with peers, and share insights with like-minded professionals. I strongly encourage each of you to take full advantage of the events and resources we've planned for this year, whether it's through attending a training session or participating in one of our networking events.

Together, let's continue to grow, connect, and contribute to the ongoing success of our chapter and the broader AGA community. Here's to a fantastic year ahead filled with learning, networking, and continued professional development.

Respectfully,
Douglass MacArthur
President, AGA Trenton Chapter

AGA Mentoring Program

The program is open to AGA members only. We all have a responsibility to leave this world better than we found it and to have a positive impact on the next generation of government leaders. Mentoring is important, not only because of the knowledge and skills young professionals can learn from mentors, but also because mentoring provides professional socialization and personal support.

Email AGA or contact a board member with any personal news you would like to share to the Chapter in future newsletters.

TOP
TIPS

AGA Trenton Chapter is currently soliciting and accepting thoughtful articles on a wide range of government financial topics, and may also publish articles relating to Tax, Practice Management, Financial Reporting, Audit, and Accounting. Chosen articles will be featured in the next newsletter and may qualify for CPE credits. For additional information, please contact: agatrenton@gmail.com.
