PRESIDENT'S MESSAGE

AGA Richmond Chapter Members and Friends!!!

I simply can't believe that the time for turkey has come around again this quickly. The past year has been easy thus far and it is nothing that I have done. We have done some great things to serve our members and community. We have been focusing on moving the chapter ahead, endeavoring to raise the chapter to the next level, working hard to support our members so that they too can grow and prosper.

My special thanks go out to an awesome CEC team for the wonderful job they do on behalf of our members. The surveys tell me that our members are delighted with the presentations and especially appreciate the quality of the speakers. It is a joy for me to work with such dedicated and talented colleagues. That's the reason I say:

"May your Thanksgiving be filled with wonderful things (liked whipped cream and pumpkin pie!). The only thing better than food on Thanksgiving is having loyal members like you who make every day a good day to give thanks."

Happy Thanksgiving.

-Winston M. Lucombe, AGA
Richmond Chapter President

Charitable Chapter—AGA Richmond

At the Fraud and Technology seminar on October 16, 2018, the Richmond Chapter of AGA supported Susan G. Komen, formerly known as Susan G. Komen for the Cure. The Richmond Chapter of AGA would like to thank those who gave and supported this great cause! Any and everything helps us fighting this grave disease! Thank you thank you and....thank you!

Inside Story: De-Frauding and De-Teching

The AGA Richmond Chapter provided speakers, in an effort, to enhance our already intelligent members and friends about fraud and technology! We, in the accountability environment, want to be the first in de-frauding the fraudsters and be aware of some of the technological advances that are out there! The atmosphere was unequivocally amazing with presentations from representatives of the Department of Accounts, Bank of America, the Science Museum of Virginia, Behavioral Health, VA Premier, the Office of Attorney General and even Susan G. Komen. We were fortunate to learn about some items that helped our members in one way or another!

Call for Nominations—National AGA

Pursuant to the recent AGA Topics, AGA's Leadership Development Committee (LDC) is seeking candidates for two positions on the 2019-2021 National Governing Board: President-Elect and Treasurer-Elect. AGA's new structure took effect on July 1, 2019.

From AGA National website, the LDC will begin selecting 8 Directors of the National Governing Board from chapter representatives on the new National Council of Chapters (NCC) who self-nominate to serve on the Board. Chapters will receive details on appointing their NCC representative later this year. At-Large Directors will not be selected in this transition year, as current members of the NEC will assume these roles.

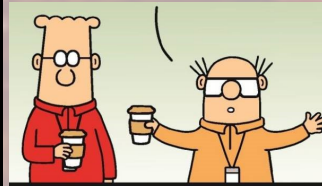

Please refer to the AGA Topics email on October 29, 2018 for more details or visit the National website for AGA
