

Ohio EMA – Response to and Recovery from Disasters

Sean Miller,
Ohio EMA Regional Operations Chief

1

Four Phases of EM

- Preparedness
- Mitigation
- Response
- Recovery

2

Preparedness

What we do *beforehand* to ready ourselves for gray sky days

3

Preparedness

4

Mitigation

Reduces or eliminates the impacts of disasters in a sustained fashion

5

Mitigation

6

Response

- Support of life safety ops
- Property conservation
- Environmental protection

7

Response

8

Response

9

Recovery

How we get the community back to the way it was prior to the disaster

10

Recovery

11

Continuous Improvement

Continuous improvement is implemented via the Planning/Training/Exercise cycle
