1

Agenda

- ❑ Resource Management
- ❑ Assistance Mechanisms
- ❑ Risk Management Activities

2

Resource Management - Internal

- **Staff Resiliency**
 - Information easily accessibly on CDC intranet
 - Staff physical accountability
 - Camera-on meetings encouraged
 - Increase in contract services for support
 - Review and revision of policies and procedures

- **Trends**
 - Increased collaboration and use of agency-wide mechanisms
 - Data modernization
 - Enhanced use of technology
 - Space Utilization
 - Efficiencies in recruitment and hiring

3

Resource Management - External

- **Minimizing Recipient Burden**
- **Grant Reach**
 - Underserved communities and health equity
- **Award Saturation and Responsiveness**
- **Procurement Limitations/Hesitancies**
 - Emergency response procedures
 - Staff recruitment and sustainment
- **Data Reporting**

4

Assistance Mechanisms

- ❑ **New Grant Mechanisms**
 - Crisis Notice of Funding Opportunity (NOFO) structured to allow CDC to obligate funds expeditiously during a declared public health emergency to states and territories
 - Compressed NOFO development timeline
- ❑ **Existing Grant Mechanisms**
 - Leverage mechanisms with commonly needed or like activities
 - Emergency language and or components incorporated for use as needed
 - Unfunded components that address public health emergency (PHE) and/or containment of infectious disease outbreaks
- ❑ **Each Act (e.g., ARP) is given its own unique identifier in an award to allow for tracking/monitoring**

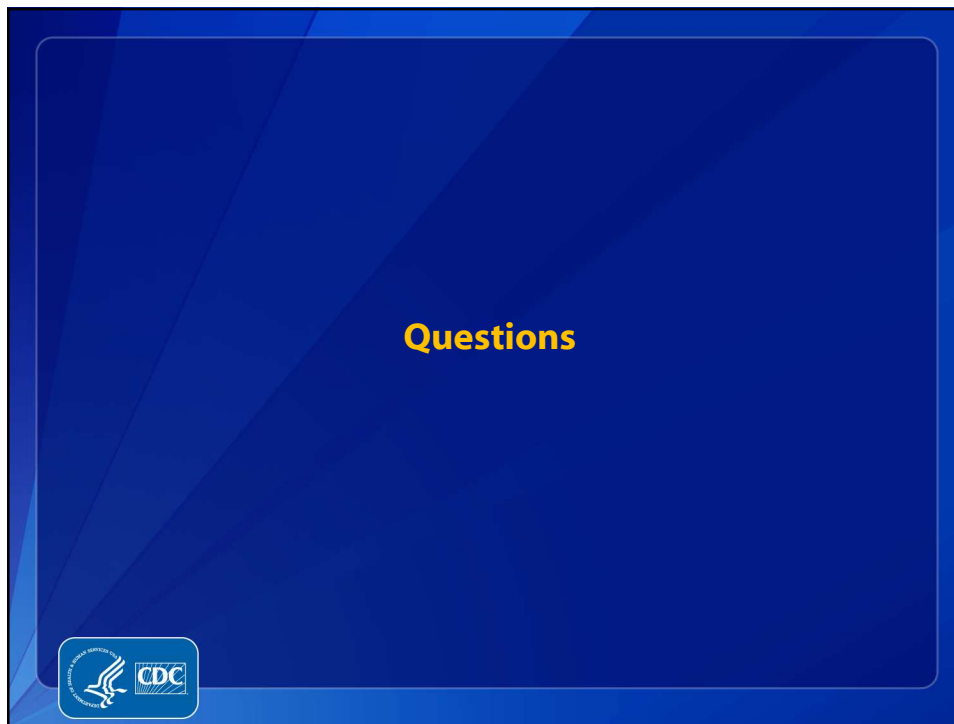

5

Risk Mitigation Activities

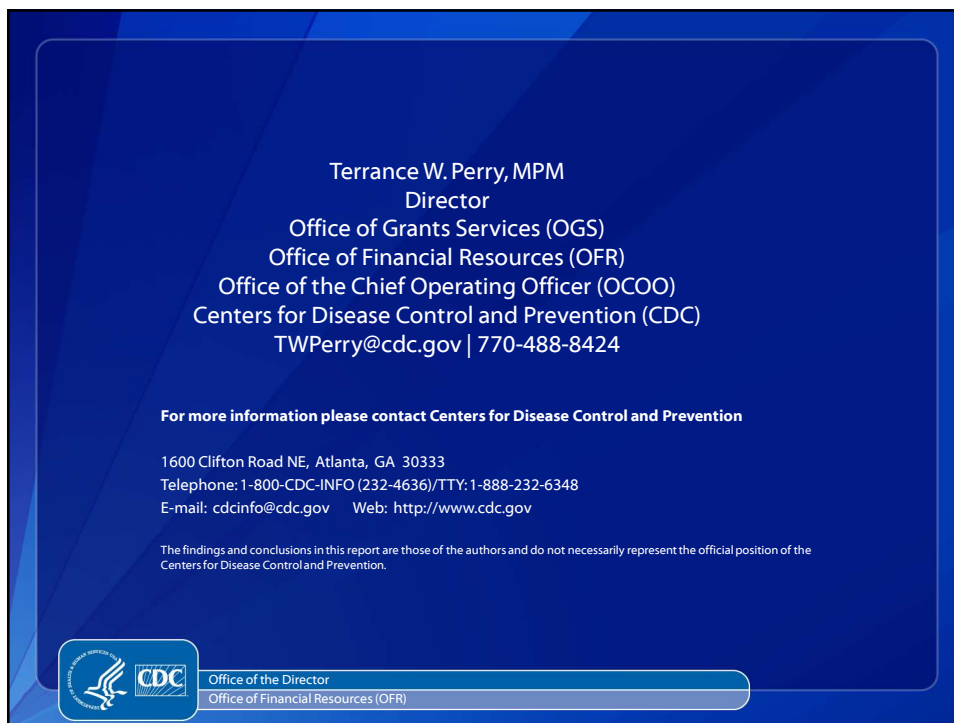

- ❑ **Pre-award Conference Calls**
- ❑ **Funds tracking by unique identifier**
 - Each Act's (e.g., ARP) funding is given its own unique identifier in an award to allow for tracking/monitoring
- ❑ **Special Award Conditions**
 - Enhanced data collection and reporting
- ❑ **Increased Oversight**
 - Internal Control Reviews
 - External audits
- ❑ **Adaptability Beyond Emergency Response**
