WHAT'S NEXT OR ON TAP

Challenge We Will Overcome

The AGA Richmond chapter will look to improve upon a successful campaign last year. The struggle or challenge was coming out of the pandemic and trying to conduct operations like it was prior to the COVID pandemic. The chapter looks forward to welcoming attendees back in person but will continue to provide virtual sessions too.

Our Upcoming Goals

The AGA Richmond Chapter will continue to work to provide quality affordable CPEs for each AGA year. The Chapter wants to work to get back to platinum status, look for ways to increase the outreach to local college students during the 2022-2023 year, and enhance the chapter membership by adding, at least, 10 new members.
